

2019 LAKELAND AUDUBON BIRD SEED SALE

LAKELAND AUDUBON MIX

This is our specially mixed blend of 1/3 each sunflower, cracked corn, and millet. Birds love the variety, and it contains none of the fillers that are found in commercially packaged wild mixes.

SUNFLOWER SEEDS-BLACK OIL or STRIPED

The favorite of most seed-eating birds. Cardinals, blue jays, grosbeaks, chickadees, nuthatches, finches, and many other species enjoy its flavor and nutrition.

SUNFLOWER MEATS

All of the benefits, none of the mess of shells in your feeding area

SAFFLOWER

Great for Cardinals, Grosbeaks and other hard seed eaters.

NYJER (Thistle)

These small, black seeds really bring Finches, Redpolls, and Pine Siskins flocking. Excellent source of fat and protein.

CRACKED CORN and CORN ON THE COB

Universally liked by birds, corn is a source of high energy.

WHITE MILLET

Favorite food of juncos, mourning doves, and varieties of sparrows. A nutritious seed for spreading on the ground.

IN-SHELL and SHELLED PEANUTS

A high-protein, oil-rich food for birds and other wildlife. Blue Jays, Woodpeckers and Nuthatches absolutely love them.

PICK-UP SCHEDULE

Pesche's Greenhouse

W4080 Highway 50

Lake Geneva, WI 53170

Saturday, October 19

9:00 a.m. - 1:00 p.m.
